1 year

NATIONAL CERTIFICATE IN ART & DESIGN INTRODUCTION N4 - N6

Programme structure:

Option 1: Fine Art

Subjects (choice of 2)

- Painting
- Graphic Processes
- 3 Dimensional Design
- Ceramics

Subjects (compulsory)

- Drawing
- History of Art
- Entrepreneurship & Business Management

Purpose and rationale:

To provide the qualifying learner with the opportunity to develop and refine the skills needed to pursue a career in visual art, with specialisation in painting, sculpture, printmaking or ceramics. The learner will be able to use this qualification as a basis for professional or commercial visual art in a diverse range of creative, industry and media contexts.

Option 2: Graphic Design

Subjects:

- Graphic Design programmes (Freehand MX, CS2 Package, CorelDraw 12)
- Photography
- Drawing
- Entrepreneurship & Business Management
- History of Art

ART & DESIGN

Purpose and rationale:

To provide the learner with visualisation and computer skills to enable him/her to enter into a graphic design career. Projects are client-based and appropriate to the industry. Students are given an opportunity to job-shadow and do in-house training. The culmination of the course is the student's portfolio of work, which should give the learner access into the design workplace.

Option 3: Photography

Subjects:

- Photography
- Graphic Design
- Drawing
- Entrepreneurship & Business Management
- History of Art

Purpose and rationale:

To provide the learner with the skills and abilities to enter a career in photography. Students are given an opportunity to work with film as well as digital. The culmination of the course is the student's portfolio of work, which should give the learner access into the photography industry.

Admission and certification requirements:

- Grade 12 or NQF Level 4 Design Foundation qualification

Duration:

2 years full-time

Location:

City Campus

Corner Longmarket and Buitenkant Street, Cape Town
Tel: 021 464 3821 / 22

NATIONAL DIPLOMA IN ART & DESIGN

Admission and certification requirements:

- N4, N5, N6 Certificates

Duration:

18 months of relevant practical experience in field study (to be logged in a prescribed workbook).

Purpose and rationale:

Acknowledgment of applicable commercial or industrial experience.

Location:

City Campus

Corner Longmarket and Buitenkant Street, Cape Town
Tel: 021 464 3821 / 22

ART & DESIGN

FURTHER EDUCATION AND TRAINING CERTIFICATE: FILM, TELEVISION AND VIDEO PRODUCTION OPERATIONS

Admission and certification requirements:

- Grade 12 plus Art

Duration:

2 years

Purpose and rationale:

This qualification enables a student to enter the film, video and television industry with basic knowledge of film, video, television and animation. The course offers unit standards on lighting, sound, production grips, editing, assistant directing, stunts, administration and accounting.

Location:

Crawford Campus

Kromboom Road, Crawford

Tel: 021 696 5133

NATIONAL CERTIFICATE: FURNITURE MAKING: LEVEL 2 (SKILLS PROGRAMME)

Admission and certification requirements:
