Dear Mr van Niekerk

STATUS OF COLLEGE OF CAPE TOWN FOR TVET AS A PUBLIC TECHNICAL AND VOCATIONAL EDUCATION AND TRAINING COLLEGE

This serves to certify that *College of Cape Town for TVET* is a state-aided technical and vocational education and training (TVET) college, operating under the Department of Higher Education and Training. *College of Cape Town for TVET* was promulgated as a public college in terms of the *Continuing Education and Training (CET) Act, No. 16 of 2006*.

The CET Act provides that only private colleges need to register with the Department of Higher Education and Training and thus be issued with a registration certificate and a registration number. Public TVET colleges are promulgated as such and are published in Schedule 2 of the CET Act.

By virtue of the above-mentioned Act, this institution is accredited and authorised to offer and assess qualifications or part-qualifications falling within the functionality area of post school education and therefore under the auspices of the Department of Higher Education and Training.

Yours sincerely

Mr GF Qonde
